VEHICLE SUPPORT FOR A&RC:

Attached for your review is the background on the Vehicle Support for the A&RC. In view of the agreement reached with [REDACTED] on 25 November 1968, I do not think we need to take any action at this time. Except for using a rented car when it is appropriate, the agreement is the same as we have been doing in the past.

Please let me know if you want me to take any other action on this end.

This problem of [REDACTED] transportation is calm and settled for the present.

The attached background is interesting because of the details concerning [REDACTED] Vehicles, promises, and activities.

The need can not be eliminated by any action here and the [REDACTED] Staff keeps check on "use abuse". I intend to review the listing of recent use which was not attached, but beyond that I see no need for our intervention at this time.
